*Working in partnership with Doncaster parents*

# Doncaster Health Visiting Service Enhanced Programme of Health Visiting

- The enhanced programme offers nine Health Visiting contacts
- Health advice and support throughout your pregnancy and up to your baby's first birthday
- Access to our five week Antenatal Parenting Classes - Understanding pregnancy, labour, birth and your baby
- Emotional and physical wellbeing
- Learn all about how your baby's brain develops and how you can support this
- Promoting healthy relationships right from the start
- Sharing evidence based ideas and approaches for your family
- Supporting positive outcomes for your family.
